AWARDS

Remington: Most Innovative Brand 2023

For the second year in a row Remington has won the very special PLUS X AWARD. Only those brands that achieve the most awards within their dedicated product group throughout the year can be awarded as the 'most innovative brand'.

The jury decides solely on a brands' innovation and its ability to position itself in a fast-paced and digested world, constantly reinventing themselves, and always keeping their finger on the pulse.

Beauty Heaven Glosscar Awards

Beauty Heaven is Australia's most extensive beauty review database, a go-to destination where you can find all the advice, news and insider knowledge you could ever need.

The annual beauty awards see votes cast by 100 V.I.P. Beauty Heaven members to determine the best new products.

Remington has recently beaten off stiff competition in Australia to win two prestigious Beauty Heaven Glosscar Awards. Firstly, our PROluxe You Hot Airstyler was named Best New Hair Tool and our Rapid Cut Ultimate Hair Cut Kit was crowned Best New Made For Men Product.

Canstar Blue Award for Remington:

Canstar Blue acts as the voice of consumers by sharing their favourite household products as voted by Australians to help people make informed purchase decisions.

For the second year running, Remington was rated number 1 in Canstar Blue's Hair Clipper's ratings! A survey of almost over 400 Aussie consumers scored Remington Hair Clippers five stars in most categories including:

- Performance and reliability
- Battery Life
- Weight and size
- Attachments and accessories
- Ease of use
- Comfort, design and style
- Value for money

Remington was the only brand that scored a five star review for overall satisfaction!

Marie Claire UK Award:

The PROluxe You Hot Brush was awarded highly commended, in the Best Innovation Tools category, at the Marie Claire UK Hair Awards 2023.
